

# NOTICE OF PUBLIC HEARING REGARDING PROPOSED INCREASE TO

## Recology San Bruno's Solid Waste Collection Service Rates

**NOTICE IS HEREBY GIVEN** that the City Council will hold a public hearing on June 13, 2023, at 7:00 p.m., or as soon thereafter as the matter may be heard, to consider the adoption of a proposed increase to solid waste collection service rates.

The City Council meeting will be held in the Senior Center located at 1555 Crystal Springs Road, San Bruno CA 94066. Please check the agenda for the June 13, 2023, City Council meeting once it is posted on the City's website for additional information about how you can participate in the public hearing.

### Proposed Rate Increase

The proposed rate increase is shown on the attached charts. If you have any questions regarding the charges for your solid waste collection services, please visit our website and click on "Proposed

Solid Waste Rate Increase" at <https://www.sanbruno.ca.gov/271/Current-Utility-Fee-Schedules>.

### Reason for the Rate Increase

The City currently contracts with a private solid waste hauler, Recology San Bruno. On September 27, 2022, the San Bruno City Council approved a new agreement with Recology San Bruno for residential and commercial garbage, recyclable materials, and organics waste collection. The agreement helps ensure that the City complies with State solid waste regulations. The City is proposing the rate increase to cover the cost of the services provided under the new agreement.

### Public Hearing and Protest Process

At the public hearing, the City Council will hear and consider all objections or protests to the proposed increase to service rates. Any property owner or property tenant that is directly responsible for payment of service rates (each a "customer") may submit a written protest against the proposed increase. If a parcel has more than one customer, only one written protest against the proposed increase will be counted. A majority protest against the service rate increase will exist if at the end of the public hearing there are written protests submitted by a majority of the customers subject to the proposed rate increase. The City Council cannot adopt the proposed rate increase if a majority protest exists.

Written protests may be emailed to [cityclerk@sanbruno.ca.gov](mailto:cityclerk@sanbruno.ca.gov) or mailed or personally delivered to: Solid Waste Rate Protest, City of San Bruno, Office of the City Clerk, 567 El Camino Real, San Bruno, CA 94066. Written protests may also be personally delivered to the City Clerk during the public hearing. To be counted, the protest must (1) be in writing, (2) state opposition to the proposed rate increase, (3) identify the parcel (by assessor's parcel number or street address), (4) include the original signature of the customer submitting the protest, and (5) be received before the conclusion of the public hearing on June 13, 2023. Protests which are mailed or delivered to the Office of the City Clerk must arrive prior to 4:00 p.m. on June 13, 2023, to be counted. All written protests, including those received by email, must include a signature of the customer to be counted.
