

RESOLUTION NO. 2023 - __

Resolution Authorizing the City Manager to Execute a Contract with LAZ Services in an Amount Not to Exceed \$2.75 million for Services Related to Parking Enforcement and Metered Parking Management

WHEREAS, in January 2019, the San Bruno Downtown Management Plan was prepared by CDM Smith for the City of San Bruno; and

WHEREAS, the Downtown Management Plan found in their existing conditions analysis that, "Concern over parking issues in downtown San Bruno has intensified over recent years and outreach efforts have found that residents generally find the current conditions unacceptable. Population and job growth and housing costs have resulted in increased occupancy in the housing in surrounding neighborhoods, resulting in demand for parking that exceeds the existing supply."; and

WHEREAS, in its Strategic Initiatives for FY2021-22, the City Council included deployment of a downtown parking meter program and enhancement of citywide parking enforcement capabilities; and

WHEREAS, on March 1, 2022, a staff report was presented to City Council on the Downtown Parking Meters and Enhanced Parking Enforcement Project and the report provided City Council with an update on staff's progress toward establishing a metered parking program downtown; and

WHEREAS, on November 8, 2022, a staff report was presented to City Council that provided an update on the project to install Downtown Parking Meters and Enhanced Parking Enforcement.

WHEREAS, enhanced citywide parking enforcement will improve community safety and parking availability; and

WHEREAS, at current levels the San Bruno Police Department lacks the personnel and technology resources to consistently provide enhanced citywide parking enforcement; and

WHEREAS, Staff has concluded a thorough analysis of potential contract service options; and

WHEREAS, Staff recommends LAZ Services as the only full-service provider capable of full integration with existing systems; and

WHEREAS, LAZ Services is a part of the National Cooperative Purchasing Alliance, which ensures competitive government pricing without the need for a formal bidding process.

NOW, THEREFORE, BE IT RESOLVED that the San Bruno City Council authorizes the City Manager to execute a contract with LAZ Services in an amount not to exceed \$2.75 million for services related to parking enforcement and metered parking management.
