**AN ORDINANCE REPEALING CHAPTER 10.21 (DISPOSABLE FOOD SERVICE WARE) TO  
TITLE 10 (MUNICIPAL SERVICES) OF THE SAN BRUNO MUNICIPAL CODE AND  
ADOPTING A NEW CHAPTER 10.21 (DISPOSABLE FOOD SERVICE WARE) REGULATING  
THE USE OF DISPOSABLE FOOD SERVICE WARE BY FOOD FACILITIES**

WHEREAS, the City adopted Ordinance No 1770 prohibiting the use of polystyrene (Styrofoam) based disposable food service ware by food vendors on February 10, 2009; and

WHEREAS, the City repealed and replaced City Ordinance No. 1770 with Ordinance No. 1902 also known as the “Disposable Food Service Ware Ordinance,” hereafter referred to as the “Ordinance,” on September 14, 2021. The Ordinance focuses on reducing single-use plastic and other food service ware waste, improving the health and safety of the City and County community members, and helping to waterways clean and safe; and

WHEREAS, on October 5, 2021, AB 1276 was signed into law by Governor Gavin Newsom. AB 1276 restricts the distribution of single-use foodware accessories (e.g., utensils, straws, stirrers, condiment packets, etc.) by restaurants and other food facilities; and

WHEREAS, on October 5, 2021, AB 1200 was also signed into law by the Governor. AB 1200 mandates that no person shall distribute, sell, or offer for sale in the state any food packaging (including single-use foodware) that contains regulated perfluoroalkyl and polyfluoroalkyl substances (PFAS); and

WHEREAS, the Ordinance includes requirements that are well aligned with many of the requirements on foodware in AB 1276 and AB 1200. However, some discrepancies exist. As such, the Ordinance must be amended to ensure alignment with requirements in both State bills; and

WHEREAS, the City does, accordingly, find and declare that it should repeal and replace in its entirety Chapter 10.21 of the San Bruno Ordinance Code to ensure the City’s requirements around single-use foodware accessories distribution and PFAS regulation in single-use foodware align with the State of California’s requirements.

Examples of an emergency include, but are not limited to natural disasters, emergencies due to the release of hazardous materials, emergencies associated with loss of power and/or water, or emergency medical response.

#### **10.21.060 Case-by-Case Consideration of Requests for Hardship Exemption.**

- (a) Grounds for an exemption.

An exemption from any of the provisions of this Chapter and the County's Chapter may be granted by the County Manager, City Manager or designee upon demonstration by a Food Facility to the satisfaction that strict application of the requirements would cause undue hardship. An "undue hardship" includes, but is not limited to the following:

1. A situation unique to the Food Facility where a suitable alternative that conforms with the requirements detailed in Section 4.107.040 (a), (b), (d), and (e) does not exist for a specific application.
2. Imposing the provisions of this Chapter would cause significant economic hardship. "Significant economic hardship" may be based on, but not limited to, demonstrating that suitable Disposable Food Service Ware is not available at a commercially reasonable price and the additional cost associated with providing the Disposable Food Service Ware is particularly burdensome to the Food Facility based on the type of operation(s) affected, the overall size of the business/operation, the number, type and location of its facilities, the impact on the overall financial resources of the Food Facility, and other factors. Reasonable added cost for a suitable item as compared to a similar item that the Food Facility

can no longer use shall not by itself constitute adequate grounds to support an exemption for such item. In determining whether a significant economic hardship has been established, the City Manager or designee may consider the following information: ability of the Food Facility to recover the additional expense by increasing its prices; the availability of tax credits and deductions; outside funding; and other options.

- (b) Request for an exemption. A request for an exemption from the requirements of this Chapter shall include all information deemed necessary by the City to render a decision, including but not limited to documentation showing the factual support for the requested exemption. A request for an exemption may be approved by the City Manager or designee, in whole or in part, with or without conditions. The duration of the exemption, if granted, shall also be determined by the City Manager or designee. Information about the application process for requesting an exemption will be made available to the public by the County.

#### **10.21.070 Enforcement.**

- (a) The City Manager or designee, including County officials may enforce this Chapter. Such authorization includes, without limitation, the authority to hold hearings, issue citations, or assess administrative fines on behalf of the City.
- (b) Violation of this Chapter is a public nuisance subject to all applicable civil, administrative, and criminal remedies and penalties according to the provisions and procedures contained in this ordinance code and state law including, but not limited to, an action for abatement or injunctive relief.
- (c) Compliance plan
  - 1. If requested by the County Manager or designee, a Food Facility that is in violation of any of the provisions detailed in this Chapter shall create and submit to the County Manager or designee a compliance plan, which will include information on corrective action(s) that the Food Facility shall undertake to come into compliance. Other requested information may include, and are not limited to proposed timeline for corrective action(s), and identification of individuals responsible for ensuring compliance.
  - 2. The Food Facility shall create and submit its completed compliance plan within fourteen calendar days (14) from the time of request by the County Manager or designee.
- (d) Notwithstanding authorization of enforcement by County of San Mateo personnel in this Chapter, the violation of, or noncompliance with, any of the requirements of this Chapter or applicable provisions of this code, shall be subject to any administrative, civil, or criminal enforcement remedies available under the law and/or the City's municipal code. In addition, the City may enforce the violation of this Chapter by means of civil enforcement through a restraining order, a preliminary or permanent injunction or by any other means authorized by the law.

This Section shall not be interpreted to limit any otherwise available civil or administrative remedies under law.

**SECTION 3. California Environmental Quality Act (CEQA) Finding.** This ordinance is not a “project” pursuant to Section 21065 of the Public Resource Code because it does not change the existing regulatory scheme.

**SECTION 4. Severability.** If any provision, clause, sentence or paragraph of this chapter or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the other provisions of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

**SECTION 5. Effective Date.** The City Clerk shall certify to the adoption of this ordinance and shall cause a summary thereof to be published in a newspaper of general circulation at least five (5) days prior to the meeting at which the proposed ordinance is to be adopted and shall post a certified copy of the proposed ordinance in the office of the City Clerk, and within fifteen (15) days of its adoption, shall cause a summary of it to be published, including the vote for and against the same, and shall post a certified copy of the adopted ordinance in the office of the City Clerk, in accordance with California Government Code Section 36933.
