

## **RESOLUTION NO. 2022-07**

### **A RESOLUTION OF THE SAN BRUNO PLANNING COMMISSION FINDING THAT THE PROPOSED CAPITAL IMPROVEMENT PROGRAM BUDGET FOR FISCAL YEAR 2022-23 IS IN CONFORMANCE WITH THE CITY OF SAN BRUNO GENERAL PLAN**

**WHEREAS**, the City of San Bruno has prepared a proposed Capital Improvement Program (CIP) budget for Fiscal Year 2022-23 and included within the proposed budget is a coordinated program of proposed Public Works projects recommended for planning, initiation or construction throughout the ensuing fiscal year. The Fiscal Years 2023-2027 Five-Year CIP Plan is designed to identify, plan and develop projects using a long-term vision for the community's facilities and infrastructure needs. The CIP Plan outlines work programs, project descriptions, and funding needed for each project to be undertaken in the next five years. The CIP Budget for Fiscal Year 2022-23 covers a one-year period and includes proposed funding allocations to each project on which work is expected to occur during the budget year;

**WHEREAS**, California Government Code Section 65401 requires that the City's Planning Commission make a determination that the list of the proposed public works (e.g. capital improvement) projects recommended for planning, initiation or construction during the ensuing fiscal year ("the proposed annual CIP") is in conformance with the City's General Plan, prior to City Council adoption;

**WHEREAS**, The San Bruno General Plan was adopted on March 24, 2009 as the comprehensive, long-term plan for the physical development of the City and provides goals and policies that establish the basis for evaluating whether specific proposed public works (e.g. capital improvement) projects are in conformity with General Plan vision;

**WHEREAS**, the proposed annual CIP includes two (2) water projects, one (1) wastewater project, one (1) facility upgrade and maintenance project, and one (1) street rehabilitation and maintenance project in the proposed CIP budget for Fiscal Year 2022-23;

**WHEREAS**, the Planning Commission has previously reviewed proposed annual CIP Budgets and found those public works (e.g. capital improvement) projects to be in conformance with the General Plan;

**WHEREAS**, the Planning Commission's action to determine whether a proposed new or modified CIP project is in conformance with the General Plan, is not subject to the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines Section 15378 in that General Plan conformance findings required by State law is not a project as defined under CEQA;

**WHEREAS**, each project included in the CIP must undergo any required environmental review pursuant to CEQA separately;

**WHEREAS**, on May 17, 2022, the Planning Commission held a duly noticed public hearing to analyze the general plan conformity of two (2) water projects, one (1) wastewater

project, one (1) facility upgrade and maintenance project, and one (1) street rehabilitation and maintenance project in the proposed CIP budget for Fiscal Year 2022-23:

**NOW, THEREFORE, BE IT RESOLVED** that the San Bruno Planning Commission hereby finds, determines and resolves as follows:

Section 1. The Planning Commission determines that the General Plan Conformity Finding is not subject to the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378 since it is not a project as defined under CEQA.

Section 2. The Planning Commission finds that the proposed Fiscal Years 2022-2027 Five-Year Capital Improvement Program is consistent with the General Plan policies because it will enhance the achievement of the General Plan by ensuring water and wastewater systems are adequate, maintaining public facilities, and improving infrastructure for all modes of transportation for all San Bruno's existing and expected residents and businesses.

Section 3. The Planning Commission hereby adopts Resolution No. 2022-07 finding that the proposed Fiscal Years 2022-2027 Capital Improvement Program and the Fiscal Year 2022-23 Capital Improvement Program budget is in conformity with the General Plan.
