4. **PUBLIC COMMENTS FOR ITEMS NOT ON THE AGENDA** - None

Both Fire and Police Departments have put videos on FB about this same problem. Our Committee's website has information about us and how to contact us.

6. **CONDUCT OF BUSINESS** - a. Preparations for upcoming events. Field Day has gotten permission from the City to use Narita Plaza for their event and the Library will be furnishing tables and chairs. FD will lend some canopies on that day. Disaster Prep Day at the San Mateo Event Center will have a table with the EPC Committee sharing with the SB Radio Club and possible CERT as well.

7. **COMMENTS FROM STAFF:**

a. Fire Update – The two new engines have arrived and are being fitted out and prepared to go into service. One will go to Station 51 and the other to Station 52. The old engines will go into reserve and the ones already in reserve will go to other cities, countries or possibly be donated. The EOC is being rebuilt including upgrades with new computers. More fire mitigation is being done by a company from Brisbane which is good since they are close by. They will do the usual clearing of 100 feet from houses and starting at Buckeye Park.

b. Police Update – none

8. **COMMENTS FROM MEMBERS:**

a. Radio Club: The Community Day event was a success with a big turnout and lots of information given to passersby including former radio operators who were not active. The Club is still working on getting the 501C status set up.

b. CERT: There are no classes scheduled yet.

c. Red Cross: Doug said they will be at the July 30 Prep Day in San Mateo and will set up a simulated shelter to show the public how they operate. Smoke alarms are still being installed by appointment only. There were 5 fires displacing 15 people last month. There is a new Program Manager who will start this month. The next blood drive is on June 29 at Station 51 from noon to 5pm.

d. Upcoming Events: Field Day on June 25 from 10am to 2:30 pm. Disaster Prep Day at the San Mateo Event Center from 10am to 2pm.
