**WHEREAS**, The San Bruno Police Department is charged with providing for the safety and security of the people within City limits and beyond; and

**WHEREAS**, officers within the San Bruno Police Department are required to complete regular training to maintain critical certifications and competency; and

**WHEREAS**, under the present patrol schedule all of this training must be completed on overtime; and

**WHEREAS**, conducting all of this training on overtime creates a substantial expense to the General Fund Budget, negatively impacts the quality of life of police officers, and reduces the quality of training; and

**WHEREAS**, the Police Department has identified an alternative patrol schedule that will enable all quarterly required training to be completed during regular working hours as opposed to overtime; and

**WHEREAS**, the San Bruno Police Association membership has conducted a vote that resulted in formally requesting that the Police Department implement this alternative schedule; and

**WHEREAS**, implementing this alternative patrol schedule requires an additional Police Corporal position beyond what is presently included in the Police Department budget;

**NOW, THEREFORE, BE IT RESOLVED** that the City Council hereby authorizes the reclassification of a budgeted Police Officer Position to a Police Corporal Position and approves the transfer of \$9,456 from Account #001-2010-5105 to Regular Salary #001-2010-5101 and related benefit accounts to fund the reclassification.
